If you cannot do your rostered shift you **MUST** make arrangements to swap with another parent from the contact list (overleaf) then advise a Concert Band co-ordinator of that change.

**IF NO PARENT IS PRESENT AT BAND PRACTICE THAT SESSION MUST BE CANCELLED BY LAW.
PLEASE DON'T LET OUR CHILDREN DOWN.**

Responsibilities

The responsibilities of the parent on duty are simple and your child loves to see you there.

You must collect the Band Room keys from the front office and return them after locking up at the end of the session.

You will supervise the children while they set up and pack up according to the diagram on the inside door of the band room.

Mark the attendance roll kept in the Concert Band pocket and hand out memos, music or notes left there for the children.

Pass on any messages from the Band master to a Concert Band co-ordinator.
