YEARS 3 AND 4 PERFORMANCES

Parents should have received invitations to next Tuesday’s Years 3 and 4 Performances – 9:30am in the Hall.

The Year 3 classes have been studying Space and the Year 4 classes Medieval Times. The concert reflects these two topics.

The Junior Band will also be performing.

**Good Luck Dance Groups**

Our dance groups will be performing at Glen Street Theatre next week in the Sydney North Dance Festival. This festival showcases the best groups from primary schools in our region. It is a wonderful opportunity for our boys and girls to perform in a professional setting in such a high quality festival.

We wish them the best of luck and look forward to seeing them on stage.

Our thanks to Ms Carew, Ms Spagnolo, Ms Grimshaw and Ms Ayling for all their work and organisation.

**Student Semester 1 Reports**

Semester 1 reports will be sent home with the children late next week. Parents leaving early for holidays will be able to collect reports next term.

**School Council Parent Representatives**

An election for the two vacant parent representative positions on our School Council was held at last Wednesday’s P & C meeting. My thanks to all the nominees for their interest in our school.

Congratulations to Neil Hereford [Joshua 1O] and Kim Thompson [Lucile 1G]. I look forward to working them on the Council.

**Canteen Support**

Winter term is always difficult for parent canteen volunteers with colds and ‘flu etc. We need more parents to volunteer particularly next term in order to keep the canteen open five days each week. Our Canteen Manager Marie is doing a wonderful job assisted by Renuka and Sarah, however, she needs more parent volunteers.

Working parents are most welcome to volunteer for a shift or two and we always welcome other relatives and friends. We love seeing Dads in the canteen! This sends a very strong and positive message to all our children. Please email nbspscanteen@gmail.com to volunteer. Our wonderful Canteen Coordinator, Kate Leveaux, is standing down at the end of this term. Kate has done a great job – we will really miss her in this role. If anyone is interested in taking on this role, please contact Kate on 0417-072-007 for more information.
CONGRATULATIONS MS LANGLOIS

One of our specialist Music Teachers, Ms Mandy Langlois, was selected to feature in the Musica Viva film clip in the NSW Creative Arts DEC online Newsletter. She was filmed here at school teaching 2G.

Ms Langlois is a talented musician and wonderful teacher – we are fortunate to have her at NBPS. The clip can viewed at http://issuu.com/creativearts6/docs/caenews4

Elephants have big ears. Some elephants swim when it is hot. Baby elephants do not have tusks. African elephants have bigger ears than Asian elephants.

By Arya

Pigs roll in the mud to keep cool. They smell really well. Pigs’ babies are called piglets.

By Max

Penguins swim very fast. They have a beak. Penguins have blubber to keep warm. Emperor Penguins are the biggest penguins!

By Emily

It is very hot in the desert. Meerkats eat scorpions. Desert animals drink water from plants. Some deserts are hot and cold.

This morning a parent drove through the crossing nearly hitting Myriam. She has given me the number plate of the car. Please drive slowly.
1C WRITING

In 1C the children have been writing descriptions about our Topic this term on Wet and Dry Environments. We used the picture book *My Island Home* by Neil Murray for writing ideas and adapted the story to suit our choice of a Wet or Dry "home" to write about.

Ms Jen Carew – Class Teacher 1C

My Desert Home
In my desert home there are Camels, Elephants and Bugs. There are Echidnas and Scorpions that blend in with the sand. It is hot and rocky where the sand grains crumble and the water streams dry where Ducks use to live and the leaves use to blow. And finally I have a desert home.

by Eliza

My Ocean Home
I have a home near the water. It always rains. Lots of boats visit the Island. It has a castle. My castle is very big. It has green floors like a very green plant. It has grey walls like a grey fan. Dolphins live here. They are blue in the water and grey out of the water. They are playful and friendly.

by Oliver

My Desert Home
My desert home is very very hot and very very sandy.
My desert home is very very orange and it has lots of hills.
My desert home has lots of cactus.
My desert home has a very blue sky with no clouds.

5C WRITING

*For this task, students were asked to write about what they wanted to be when they grew up. The catch? They had to make their reasons about life, not the work they want to do.*

Ms G Carnegie – Class Teacher 5C

I look down to my left, at the grim, filthy streets filled with people who have been unjustly rejected - just because of their skin colour and their birthplace. People who were shunned from society, or treated as if other races were superior in some way. The very visualisation of injustice - a race forcing another down into the depths of poverty, a race abused by those who think themselves superior.

One man changed it all-Nelson Mandela, my hero. He dared to spit right in the face of racism, not knowing what would come of him, but ready to do anything and everything in his power to completely and utterly destroy racism.
Mandela was willing to spend 27 years in three different jails for the benefit of his people in South Africa, so that they had the right to be treated just as well as everyone else. He willingly took it on, going head to head, knowing his cause was just, and that he could not be ignored. By doing this, people started questioning the morality of their actions towards those who weren’t much different from themselves. As people began to think, and Mandela was finally set free because of an international campaign, the reign of racism was nearly over. He spent all of his days fighting for his cause, making sure that no one would ever be subjected to this horrible treatment ever again.

This is why Mandela is my hero, because he fought for what he believed in and didn’t care about what it would personally cost him, as long as his goal was complete. Not only that, but his cause was so just—it was incredibly noble and courageous to take on such a treacherous journey. Mandela finally made it to the summit, ending most racism and helping people question their own morality. I know I can’t even hope to do such a courageous and massive deed, but I know that when I grow up, I want my morals and actions to be just as well. When I grow up, I wish to be as kind and as pure as Mandela, and I want to make sure that the world is an even better place.

In summary, we need more people like Nelson Mandela—to help bring peace to the world. We can’t all do such courageous things, but we can all do our thing to help. All we have to do is support a cause, and stand up to racism as a whole. In all, this is why I want to be like Nelson Mandela, and all the just and humane people of this world like him.

I frowned as I saw the deathly alleyways filled with rejected people, outcasts from life. I reached to my pockets, pulled out my wallet and shared around what money I had. They looked up to show a glowing smile, but I was already gone to see what I could do to help.

PSSA NETBALL REPORT

Neutral Bay had two wins this week: We are all getting used to the boys team winning. We need to remember that the boys division is ungraded so they must not get over confident. Still, it is fabulous to see their fresh approach to the game.

“They played fearlessly as always. Their passes were excellent and but sometimes a little too much decision time is used. Adrian Freiburg played very well in GA. The boys kept the pressure on the defence and created ‘chaos’ for the opposition.” By Rex

The A team had a happy win against Middle Harbour. It was close though at 15:13

“I think that our passes were good except for some silly lobs. Our defence was really good as we kept getting in the way of the opposition. Poppy Walter was particularly good at this. There were times when we lost our concentration, probably because we were rushing,” by Kaitlyn

The B1 team played strongly but lost to a very strong Willoughby.

“India Hearne was really focussed and played for her team really well. Her breaking and passing were excellent. Also, Lillian was quick and accurate and always paid attention to who had the ball. The things we need to practise are, breaking, accurate and quick passing, better marking and aggressiveness.” By Noa

There were improvements but still no win for our B2 team. This team is learning on of the hardest lessons of sport. An amazing thing happens when people get thrown into something that is a bit out of their league… they step-up and these girls have certainly done that.

“My two stars are Cordelia Newton and Amelia Heffernan. Cordelia got involved and also did some fast passes. Her communication was great. Amelia got the ball a lot keeping the score more respectable. To improve generally we need to spread out and keep moving into space.” By Stella

The C division team lost but put up a good fight. Mrs Cant's best players were Kylie for bravery, Lia for defending effectively.
“The team is getting better at spreading out especially Rani. Brianah was great at finding free spaces. To improve we need to mark players better and not find ourselves playing piggy-in-the-middle.” By Kylie

The division D team had a good game were they were able to practise skills and test their strength. They did not win but worked hard and improved over the game.

“Alysha played really well. Laura and Claudia played well together in the goal circle. Clair was excellent moving quickly to space and winning the ball. To improve we need to make faster decisions to pass the ball and find space quickly.” By Katie

Miranda (3R) made this model of a space ship for her homework and then the class ate it!

SAVE THE DATE FOR OUR BIGGEST FUNDRAISER OF THE YEAR NBPS CARNIVAL SATURDAY 30TH AUGUST 2014

Please note this important date in your diaries and come along to a fun day that is enjoyed by young, old and lots if ex NBPS students.

During your holidays if you are cleaning out cupboards/rooms put aside some children’s clothes, teddies that are not loved any more in your house, books, board games and unwanted gifts. Obviously we want these items in good condition. Rule of Thumb: Ask yourself “would I buy this”? If yes then send in to the school at the office and we will take it from there.

We will have a team of wonderful volunteers out in our local community soon asking for donations so if you are a local business and want to donate for the silent auction, chocolate wheel or any of our stalls please contact us.

If shopping at Kidstuff please mention our school as they give us points which help us purchase items for sale on the day.

Of course we are happy for any volunteers to contact us and let us know where you can help.

Please email with offers of help or donations to nbpscarnival@gmail.com

Looking forward to hearing from you.

Bonjour [Hello] & Au Revoir [Goodbye] from the Canteen

Last week you should have received an email from me saying I am stepping down as canteen coordinator. I have met so many wonderful parents and new friends during my time as coordinator and am so pleased that I had this opportunity. The task is now a very manageable one, so if you can spare a few hours each week and are interested in taking on the role, please contact me on nbpscanteen@gmail.com or 0417 072 007.

Please be advised that unlike previous terms the canteen is open the last day of term, Friday 27th June and will re-open the first day back of Term 3.

Bring on the Hip Hot Doggie! Much to the children’s delight, this very popular special is on everyday next week including Friday.

The canteen is extremely busy on the final week of term and we need an extra volunteer per day. Please let Sarah know if you can make it in for a shift.

The last roster for this term is below, if you cannot make your rostered spot we would appreciate you finding a replacement or phone Sarah James on 0426 226 235 or email nbpscanteenroster@gmail.com

Hello from the Uniform Shop

We’ve had a busy period leading up to the changeover to winter uniforms. A big thank you to Dianna, Marian, Liz, Marion, Kellie and new volunteer Evelyn for committing every week.

We have also experienced some issues with the stock control and reconciliation. A huge thanks to Tim, Helen, Anne and Irene for helping sort this out.

This doesn’t however address the fundamental issues of running two systems (FlexiSchools and MYOB). A review of the way they integrate is under way and a recommendation will be delivered to the P&C Executive for consideration.

New credit card industry guidelines means we’re no longer able to take paper based orders via the office. Only cards presented by purchasers in the shop or by FlexiSchools is allowed.

And please do not send your children to school with large amounts of cash.

Summer stock ordering deadline is looming so we will be making orders under current suppliers within the next week to ensure sufficient uniform stock for 2015 Kindy Orientation and summer term.

The lovely Marian Breslin who manages the second hand service from the uniform shop has advised that she will be winding back and leaving by the end of the year. We are looking at how we can keep this great service to parents going but it will only continue if there is a dedicated parent volunteer to take it on. A call out in forward newsletters will be made.

And finally just a reminder to all parents and friends of NBPS that all efforts are made to process orders as quickly as possible when received via FlexiSchools.

If you are chasing an order please email the uniform shop on nbpsuniformshop@gmail.com rather than the Office or School Management team. We will get back to your email as quickly as possible.

Thank you for your patience and good humour.
