Kindergarten News

This week Kindergarten children are learning about farm animals. In Literacy, they will be introduced to the digraph ‘wh’ and look at words in the ‘ig’ family. Kindergarten has had fun investigating the language of ‘Position’. Now they are learning about ‘Mass’ as they heft objects and compare them. They are also looking at the properties of 2D shapes and are beginning to learn about addition. We hope all our mums had a lovely Mother’s Day!

Mrs K Reeve (KR Class Teacher)

Stage 1 News (Years 1 & 2)

Year 2 enjoyed creating special gifts for their mums for Mother’s Day. They took photos of themselves and made bookmarks for their mums to enjoy while reading their favourite books. The Year 2 students also filled in the front cover of ‘Mum’s Gazette’, describing all the great things about their mum. Happy Mother’s Day!

Miss J Carew (2C Class Teacher)

Stage 2 News (Years 3 & 4)
In Year 4 we are avid readers with creative minds. One of our homework tasks was to create a ‘Novel Show bag’. We had to choose a novel that we have read and enjoyed and make a show bag filled with a range of interesting materials related to the story.

Each student gave an oral presentation to the class and we also had the chance to visit the other ‘Show bag Pavilions’ (Yr 4 classrooms).

Here are 4C’s show bags

Miss Cooper (4C Class Teacher)
Stage 3 News (Years 5 & 6)
This term, 6B students have been given the challenge of creating their own short novel. For inspiration, each student has been given the iPad app 'Epic Citadel'. Within the app, students explore and navigate through a realistic medieval citadel. They then must create a narrative to match scenes found in this 3D world. Here are a few extracts from four student’s work:

I open the door and inside there is a pathway leading downwards. I follow the pathway and end up at the sewers. There are quite a lot of rats and I accidentally stepped on one of the pesky critters. Disgusted, I walk past the 'quarantine zone' toward what looks like the light of day. I walk on and see bones and skulls on the edge of the sewer walls.

I push my horse into a trot, and continue looking around. I take in the breathtaking views and follow the path to my right, close to the tents. I am here to find my little sister, who would be around 8 years old now. Apparently some people who live around here saw Izzie enter here, and she hasn't come out yet. They had the perfect description of her, long flowing golden hair down her back and a beautiful face with blue eyes.

It was the weeping angel. Apparently, they had been searching for it for hundreds of years. I had been told about these beasts, but no one ever told me not to blink. I blinked and it moved closer. I screamed but I knew no one could hear my cries.

In the Fire Dragon's castle, north of the citadel, there is a formidable army led by Flareringa, a powerful and ruthless king born with a warrior's heart. The army was made of 100000 swordsman and 100000 powerful male fire dragons!

SCHOOL NEWS

Year 6 Interrelate Family Evening program

A family evening program on ‘Where Did I Come From?’ and ‘Preparing for Puberty’ has been organised for the evening of Wednesday 20th May at Neutral Bay Public School.

The evening program will take place in the school hall and commence at 6pm sharp, finishing around 8:15pm. The program is run by Interrelate School Services, an organisation that specialises in programs which are interactive, family focused and presented in the context of caring relationships.

The program helps to prepare Year 6 children and parents for the physical, social and emotional changes associated with puberty. It also addresses changing emotions and relationships with peers and families.

We have found in the past that our parents and Year 6 children find the presentation very informative and useful.

Please note that this evening workshop is for Year 6 students and parents. It is also expected that students will sit with their parents.

There is a charge of $30 per family. Please bring $30 cash to be paid at the door.

Soccer Report for the C team

On Friday the 8th the C soccer team played Lane Cove. What I first said to my team mates was “It’s ok if we lose as long as we try our hardest.” They certainly did try their hardest, all of them from defender to attacker were passing things like through balls and clear passes. We all did our best but unfortunately lost 5-0.

Lachlan B

Soccer Report for the B team

Last Friday the Neutral Bay B team played Lane Cove in the opening match of the PSSA season. The B team played an absolutely great game with the final score 3-0 our way. I can proudly say it was a team effort. It was a great start to the PSSA season. It was an especially great effort from Guillermo Castro of class 5R, with two assists and some great passes. I would like to congratulate our team for an absolutely incredible game, and it was an honour to be the captain. I would also like to thank Mr Ticli for being an amazing coordinator and coach for our team.

Henry A

Soccer Report for the A team

The A team won their game against Lane Cove 8-2. We played fantastically and several people scored goals. Lane Cove put up a valiant fight and at times looked like they were going to score. Our defence was rock solid throughout the game and we look forward to next week’s game.

Seisa M

Soccer Report for the Girl’s team

Last week the girls played a great game against the Lane Cove girls’ soccer team. It was an unfortunate result of 0-1. The goal was an unfortunate considering that we played so well using all our skills. The player of the match would have to be Ushi because she played so well, she was making space and passing well. We really look forward to improving in next week’s game.

Maddie N
Netball Report

After a rained out week last week, our six PSSA netball teams all started off the season with a win. Congratulations!

The B grade team, captained by Kaitlyn Petrides (6S), defeated Willoughby 25 to 2. It was a great game from the beginning, with lots of good passing and a strong defensive side. The shooting was fantastic as well. The team will be working on using the entire court at training this week. Player of the match was awarded to Charlotte Harman (5T).

Our C#1 team, captained by Eden King (5T), beat Mowbray 9 nil. They worked really well together, with lots of communication. The team's shooters shot beautifully too. The team will focus of their passing at training this week. Player of the match went to Kinjal Kumari (5R).

The C#2 team, captained by Chloe Salvatico (5R), beat Mowbray 2 to 1 in a tight game. The whole team played really well and there was lots of fantastic intercepts. Player of the match was Mia Guo (5T).

The C#3 team, captained by India-rose de Caires (6T), narrowly beat Mosman 5 to 3. The team played a wonderful second half, to take the lead. They are going to be working on shorter, faster passes at training this week. Player of the match went to Sonia Freiburg (5T).

Our D team, captained by Cassy Spillane (5K), conquered Mowbray 14 nil. They had a great first half and there was lots of fabulous shooting. Player of the match was Ruby Scott (5T).

The Boy's team played against Artarmon and won 11 to 3. The team, captained by Calum Gaynor (6C), played well together but will be working on their passing and defence. Player of the match went to Yongteck Chung (6S).

P & C Voluntary Contribution

Every year Voluntary Contributions are vital to provide a richer education for our children.

This year, the school has asked the Parents & Citizens Association to support:

- **Music and science programs**: $100,000 to $120,000
  
  Continue our commitment to funding half of the teacher’s salaries and the associated equipment to maintain these programs. Without our support these extension programs would not continue as they are NOT funded by the Department of Education.

- **Teacher’s support**: $30,000
  
  Providing additional Learning Support Officer (LSO) hours in our ever growing classrooms.

- **Additional laptops & trolleys**: $30,000
  
  The continued growth of enrolments has seen the computer labs converted into classrooms. As part of the P&C’s ongoing support for the school’s IT deployment for students, the school has asked for additional laptops, iPads and computer trolleys to ensure that our children’s access to these resources is not compromised.

- **Reading materials**: $30,000
  
  To ensure our children have access to a diverse range of readers and books. Our school nurtures curious minds who need to be fed!

*Without your Voluntary Contribution, we cannot meet the school’s needs.*

Voluntary Contributions: 
- one child: $180; 
- two children $330;

Major Fundraiser 2015
A committee is currently being formed to commence our major fundraiser for this year. The major fundraiser always occurs in term 3, to fit in with school financial goals etc. In past years we have run a school carnival, which has raised approx $30K. We have decided to review the school carnival format and hence are moving to a biennial carnival, that is, every 2 years. In the non carnival year, the school runs a Musical, it is in the school musical year that an alternate major function will occur. This year, it is "The Neverland Fundraiser Ball", this theme corresponds with the musical 'Peter Pan'.

Each year group will have two representatives on the planning committee. We will keep you updated of these plans in the coming weeks. If you have some fundraising ideas, time or energy to work with our team please contact me nbpspandcevents@gmail.com

Seeking a new Canteen Coordinator

We are sad to say our wonderful Canteen Coordinator Michelle Alejo will be soon be stepping down from her position, due to a change in her work circumstances, and so the P&C Committee is looking for a new Canteen Coordinator to take over the role, beginning this term. The Canteen Coordinator oversees the smooth running of the canteen, supported by the Canteen Treasurer Jeni Spillane and the P&C Executive, and works closely with the Canteen Manager and paid staff, who are in charge of day-to-day operations.

The role requires approximately a couple of hours a week, mostly performed from home via email or phone, as well as in the canteen itself as required. The role would suit someone organised, cheerful and keen to support one of our school’s most important operations, at the heart of our community. Handover will be supported throughout the transition by the P&C Executive and Michelle Alejo.

Key duties and responsibilities

People management:

Helping to recruit and manage staff with the support of the rest of the P&C committee, attracting parent volunteers to work in the canteen, updating the volunteer database,
Assisting the paid staff to manage the volunteer roster,
Communicating with Kindy Parents regarding weekly rostered Moosie/Juicy Fairies.
Conducting staff meetings once a term, arranging the annual volunteer thank-you drinks.

Administration:

Submitting weekly newsletter update (Monday nights) and attending P&C meetings and preparing/presenting a short update for the P&C (completed one week prior to the meeting)
Submitting staff timesheets to the canteen treasurer every two weeks and working with the canteen treasurer to ensure payments are timely and profitability is adequate; alerting the P&C Executive to any events or situations at the canteen which attention such as equipment repairs or replacements etc.
Liaising with Flexischools to update menu and order labels and with other external organisations, such as the Fresh for Kids program.
Printing updated hard copies of the menu for the canteen manager each term.

If you are interested, please drop us an email: Michelle Alejo nbpscanteen@gmail.com or Sharmila Soorian nbpspandcsecretary@gmail.com
A big thank-you to our great volunteer team in Week 3. A special thanks to Naoko, Jackie and Bridget who worked extremely hard when there was a bit of sorting out to do with junior and senior lunch bags on Friday, the busiest day of the week. We appreciate everyone’s effort and time at the canteen. It is delightful to hear how polite the children are when they express their appreciation of the canteen lunches.

Next week’s special is our delicious Chicken Schnitzel Burger.

**We urgently need volunteers for next week.** The volunteer sign-up process is online and it is quick and simple to do. We must get more volunteers in order to keep the canteen running effectively, as the table shows below. Please do use this system as it helps us with planning. All you need to do is to register once at www.signupgenius.com and follow these simple instructions:

1) Login using your registered details; 2) At the Sign Ups Page – click Help Button; 3) At the dropdown menu click find a signup; 4) Use the option Search by email and enter nbpscanteenroster@gmail.com and this will take you to the NBPS Canteen Volunteer signup page; 5) Choose your desired date and then click signup and submit which can be found at the bottom page

Week 4 roster is below. If you cannot make your rostered spot, it would be enormously helpful if you could find a replacement before phoning 0426 226 235 or emailing nbpscanteenroster@gmail.com
