Dear Parent/Carer,

From time to time, students benefit from viewing documentaries or films which reinforce concepts taught in class lessons. Occasionally, students are required to view a PG rated video for which we require parental permission. For example, Planet Earth.

Please sign and return the permission slip below if you wish your child to participate in these important educational experiences.

Teachers are required to notify parent/carers in advance of the title of any PG rated documentary or film that is shown in class. In the event that you do not wish your child to view a particular film or documentary, please do not hesitate to contact your child’s class teacher.

Kind regards,

G. Collett
