I wish all families a merry Christmas, happy new year and wonderful holiday period. To families who are finishing at our school this year, including the 75 families whose youngest child will finish Year 6 this year we wish you all the best for the future.

Staffing
Mr Thomson, Mr Ticli, Mrs Vade and Miss Wondracz will be starting the next chapter of their teaching careers at other schools next year. We thank these teachers for the wonderful contribution they have made to the students of Neutral Bay and wish them all the best.

Presentation Assemblies
Thank you for attending our Presentation assemblies this week. Congratulations to the students for their efforts and thank you to the teachers who have organised these events.

Year 6 End of Year Events
We look forward to a number of upcoming events for students in Year 6. These include:
- Years 5/6 Presentation Day 10 December (9.30am)
- Year 6 Graduation Assembly 14 December (9.30am). This is a new initiative. A Graduation Assembly will be held to present each child in Year 6 with their Graduation Certificate. Parents and friends are welcome to attend.
- Year 6 Farewell 14 December (6.30pm)
- Year 6 Farewell Arch 16 December (2.45pm)

Semester II Student Reports
All students in Years K-6 will be provided with their Semester II Report on Friday (11 December) of this week.

Student Requirements 2016
Included in this Newsletter is a list of Student Requirements we would like each of the students to have for next year. It would be appreciated if all students are attired in their Neutral Bay School uniform. This includes black shoes (no white soles or other coloured markings) to be worn on all days other than the nominated sport days.

Charity Support
On behalf of all the students and teachers at our school we will be supporting a number of charities as a Christmas gift and on an on-going basis in future years. This includes the sponsoring of a child from Nepal through the World Vision organisation. The students in Years 3-6 are welcome to add to this support by donating a gold coin at the Talent Show on Tuesday (15 December) of next week.

Year 6 Mini Fete
Thank you for your support of the Year 6 Mini fete. $3209 was raised which will be used by Year 6 to provide a farewell present to the school.

P&C Family Picnic
The P&C will be holding a Family Picnic on Friday (11 December) of this week. Further information is provided on page 8 of this week’s Newsletter.

Talent Show
We look forward to the students performing at our Talent Show on Tuesday (15 December) of next week. The shows will be held at the following times:
- Years 3 and 4: 9.30a.m.
- Years 5 and 6: 11.10a.m.

End of Year Parties
On Wednesday 16 December the students will have a party day to celebrate the end of the school year. As a lead up to this day the students should not bring in confectionary to school. On Party Day the students are welcome to bring a small amount of party food.
Kindergarten News

Kindergarten loved having a visit up to the “big school” to go to the canteen for the very first time. It was such a great adventure! Playing in the playground for lunch time was also great fun.

KH students have been talking about what they would like for Christmas. They wrote beautiful things about what they would want for the world…

“All I want for Christmas is that all the people in Africa have food and water to eat and drink. And I wish that there were no more crocodiles in Africa. And the crocodiles stop eating people. And also I wish that the African people had books to read and books to read at bedtime and more food to live.”

Phebe

“My Christmas wish is water for poor people to make them be happy and to make their country a better place to live. Also my Christmas wish is to give presents to people. My present will be money for people to buy food.”

Nicholas

“All I want for Christmas is the giraffes to be safe. If they don’t have water I will share my water with them.”

Rohaan

“My Christmas wish is no one will hit. Also I will give my toys away and there will be enough food from shops. Also to give water to drink and everyone will get a bed and a pillow and no one will get sick and hurt and if they get sick they will get better.”

Lance

Miss J Hudson KH Class Teacher

We hope you enjoyed Graduation last Friday. Congratulations to all the children of Kindergarten 2015.
Stage 1 News (Years 1 & 2)

In Year 2, we have been writing reflections about our wonderful year. Rose Perisce-Burrell in 2K particularly loved all the fantastic books we have been reading!

My Year 2 Reflection By Rose Perisce-Burrell
In Year 2 I had a lovely time, and I will never forget this class.
In Term 1, I read a book called Uno's Garden. I also did an Uno's Garden art work. I painted a green house. I learnt all about the environment. For an excursion I went to the Field of Mars, where I went bush walking, until I made a butterfly out of clay.
In Term 2, I read another book called Peacock Girl. I also read a book called Facing the Tiger. I did an art work on Facing the Tiger, which was a tiger mask. When we were learning about procedures, we made fruit kebabs. Even though I had a little fight, I loved the lovely fruit.
Before term four we had term three. In term three we read Blueback, The Hidden Forest and The Deep. For the Hidden Forest art work, we made beautiful starfish. While I was still in term 3, I wrote lots of interesting narratives.
At last the last term has come. In the first 2 weeks I did The Swimming Scheme at Lane Cove Swimming Pool. Our science topic was 'All Mixed Up'. We started a book which was called Georges Marvellous Medicine. We got to make our own medicine bottle and write a description about it. I went to the zoo for an end of year surprise!
In conclusion, I will always remember this class, and love this class.

Miss Keighran 2K Class Teacher

Stage 2 News (Years 3 & 4)

To complement our Geography unit on sustainability and our Science unit on toys, an incursion was designed for Year 3 during Term 4.
For the science component, the students were engaged in learning about push energy, taught about the components of a billy-cart and built one. Each student was involved in activities related to design, building and riding billycarts. Students were also able to invent with timber and nuts, bolts and washers to explore construction.
For the geography component, students used ideas related to conservation and energy management to design and construct models of eco-friendly houses. Students used recycled materials to design and construct houses which could be sympathetically worked into their environments.
In addition, an additional activity for the day was the visit to a local community garden. Here, at the Forsyth Community Garden, students investigated garden infrastructure, plants and identified common foods. The students also had the opportunity to make a news report, advertisement or a mock interview with a market gardener.

Science & Technology
As part of the Science and Technology program, year 6 students were asked to design and make a product that would be sold at the end-of-year Mini Fete.

The NBPS P&C held its AGM on Wednesday 25 November 2015. The meeting was well attended as we reviewed another very successful year for the school and outlined a broad framework for the P&C in 2016. Once again we thank Mr Shuster and Mr Tan for attending the meeting and for their great support of the P&C during 2015.

This year’s AGM saw the departure of some long standing team members following years of dedicated service to the school and a new band of wonderful volunteers joining the team, each of whom place the School community as a high priority in their often busy lives. On behalf of the P&C, I would like to thank Peter Girdis, Scott Reed-Stephenson, Anne Moal, Claudia Stephens and Liesel Wightwick for their hard work and commitment to the School over many years. Our volunteers are critical to the programmes and opportunities that the P&C provide to the entire school community including events and fundraising, uniform shop, canteen and the band & string programmes. The contribution of these volunteers is highly valued and greatly appreciated by the P&C. In particular, I would like to thank those team members continuing in their roles in 2016 including Elizabeth Gurr (Uniform shop coordinator), Bridget Douglas (Canteen coordinator) Belle Jackson (Events and fundraising coordinator) and Karen Au (Band coordinator).

I would also like to welcome Sharmila Soorian and Peter Carter as P&C Vice-Presidents, Alex Fransen as P&C Treasurer, Kate Juniper as P&C Assistant Treasurer and Michelle Jackson as P&C Secretary. In addition to their roles as Vice-Presidents, Sharmila will chair the Canteen Sub-committee and Peter will chair the Uniform Sub-committee. These new Committees are designed to support Elizabeth and Bridget in their very busy coordinating the uniform shop and canteen respectively. In addition, Belle Jackson is ably supported by Anna Gibson (Communications) and Dana Casimaty (Sponsorship).

Things are in very good hands with all of these wonderful volunteers and their extended teams but there is always more that can be done and I would encourage anyone to come forward if they would like to volunteer in any capacity or have an interest in the remaining vacant positions (2 Band Coordinators). So if you would like to get involved, have an idea or want to chat about any aspect of the P&C please come and talk to a member of the team or email a team member (details below).

The P&C team for 2016 includes:

President    Ben Keen    nbpspandc@president@gmail.com
Vice- President    Sharmila Soorian    nbpspandcvicepresident@gmail.com
Vice-President    Peter Carter    nbpspandcvicepresident@gmail.com
Treasurer    Alex Fransen    nbpspandctreasurer@gmail.com
Assistant Treasurer    Kate Juniper    nbpspandsassttreasurer@gmail.com
Secretary    Michelle Jackson    nbpspandcsecretary@gmail.com
Uniform Shop Coordinator    Elizabeth Gurr    nbpsuniformshop@gmail.com
Canteen Coordinator    Bridget Douglas    nbpscanteen@gmail.com
Band Coordinators    Karen Au / Vacant    nbpsbands@gmail.com
Fundraising Coordinator    Belle Jackson    nbpspandcevents@gmail.com

On behalf of the P&C team, I would like to wish the staff, parents and carers of Neutral Bay Public School a safe and wonderful Christmas and best wishes for a prosperous 2016.

We look forward to working together with you in 2016!
Hello from the Uniform Shop team

The Uniform Shop & Flexischools orders have now closed for the year. All orders placed up to 3.50pm on Tuesday 8th December have been packed and sent out to classrooms. Any orders placed after this time will be available to collect on the Special Opening Day - Wednesday 27th January 2016, 8.30am-10.30am. The shop will also be open that day for in store purchases.

Interested in Volunteering?

I am always on the look out for volunteers to help out in the uniform shop - either on Tuesdays (instore) or any school day for packing Flexischools orders. It’s a pretty quick and easy task to do the Flexischools orders once you get the hang of it. If this is something you’d be interested in doing in 2016, please drop me an email!

Kindergarten & OC 2016 parents

Now that the shop has closed for the year, if you still need some items of uniform, please register on the Flexischools website (www.flexischools.com.au). Registering for a new account is easy, just follow the directions on the website. To add your new Kindergarten 2016 child, click Add Student. For their class, please scroll right to the end of the list of classes and choose ADMIN. Once your child’s class is known next year, it can be amended easily. Your order will be available for collection on the Special Opening Day (8.30am-10.30am, Wednesday 27th January 2016).

Year 6 and other leavers

The uniform shop would LOVE to have your donations of uniform if you are finished with it. You can pop it in the big box under the mailboxes at the school office - thanks so much!

NB: Canteen is closed on Wednesday 16th December and will reopen on Thursday 28th January 2016.

Next year, the Flexischools cut-off time will be 8.30 am.
The new roster is up for Term 1 2016. Find your favourite shift now.

I would like to take this opportunity to thank our wonderful volunteers. You have taken time out of your own busy lives to make sandwiches, serve moosies, chop carrots, prepare hot cheese rolls, wrap sushi, drink coffee and have a laugh.

Our canteen is lucky to be treasured by our school community as a valuable and necessary resource and your commitment to help is the reflection of that.

We couldn’t do it without you and nor would it be anywhere near as enjoyable.

May your family gatherings be harmonious, your travelling safe and your holidays relaxing.

We look forward to seeing all of you in the New Year.

Merry Christmas

Bridget, Maree and Jocelyn.
Presentation Assemblies
All bands should be very proud of their excellent behaviour and professional performances at the Presentation Assemblies this week. Special mention must go to Junior Band. This was the first time we have had Junior Band perform at a Presentation Assembly and they did so to great acclaim. Not one child forgot their instrument even though it was not a normal band day, they were efficient and mature getting on and off the stage quickly in front of a packed house and played - for the first time ever - standing up, a seamless rendition of Antique Car Parade. Special thanks too to all the Junior Band parents who helped backstage - it wouldn't have been possible without you.

Final Rehearsals and the New Band Year
Dates for the final rehearsal for each band are listed below. Please remove all personal music from band folders as music and folders will be collected and sorted at these rehearsals. We also usually have a small party for the bands to celebrate the children's hard work - please let your band co-ordinator know if you can send in a plate.

The band program will start immediately in 2016. Audition requirements and the audition timetable are on the school website. Please make a note of the relevant dates in your diary, and ask your tutors to go through the scales and requirements with your child now, before the end of term. This is the time to start practising (when you have the opportunity for valuable feedback from tutors) before the long summer holidays. Don’t forget to take home your instruments - it is hard to practise scales when your instrument spends summer in J Block!

Junior Band 2016
We hope you enjoyed the current Junior Band’s performance at the Year 2 Presentation Assembly - that could be you in 12 months' time! Thanks to all the incoming Junior Band families who have handed in their band declarations. If you have not done so, please complete the form (available in the band section the school website) and place it in the band mail box next to the front office.

Please note the change of date for the first rehearsal of Junior Band in 2016 - it will be on Thursday 4 February at 11.10am and thereafter on Mondays at 7.45am and Wednesdays at 11.10am.

Key Band Dates - Term 4 2015
• Thursday 10 December 9.30am - Concert Band at Stage 3 Presentation Assembly
• Monday 14 December - Junior Band Final rehearsal
• Monday 14 December - Senior Band Final rehearsal
• Tuesday 15 December - Concert Band Final Rehearsal

Key Band Dates - 2016
• 29 January 2016 - 2 February 2016 - Band Auditions
• Thursday 4 February 2016 - First Junior Band Rehearsal
• Sunday 3 April 2016 - Band Workshop, NBPS (exact time tbc)
• 20-22 May 2016 - Band Camp, Sydney Academy of Sport, Narrabeen
Band Committee 2016

The future is bright for the band program - we are delighted to announce that positions on the 2016 Band Committee are filling up quickly. We already have a crack team of volunteers to run Band Camp, Concert Band and take on a key role for Junior Band. An enormous thank you to these generous ladies for putting up their hands - the band community is very grateful! The more the merrier, it does take a lot of work to run such a large, busy and wonderful program and these volunteers need your support. A job that is fun and rewarding for three can be too much for one. Please have a look at the roles that still need filling and see if there is any way at all you can find some time to lend a hand. In particular please consider supporting Karen in the Overall Band Co-ordinator role. With most of the major tasks (such as band camp) delegated to sub-committees it will be less intensive than before but still vital to bring all the components of the program together and provide a single point of contact for the band master, school executive and P&C.

Incoming Junior Band 2017 x 1 Approx 3 weeks (October 2016) (moderate) vacancy

Wishing all band families a safe, relaxing and music filled Christmas and summer holidays. This is the final newsletter for Liesel and Claudia after a rewarding and fulfilling 4 years on the band committee. It has been a privilege to co-ordinate one of the best primary school band programs NSW and we would like to thank all band parents and fellow committee members for their tremendous support over the years. All the very best for 2016!
